Old Business:

There is still a Board vacancy for 2024. We need someone to serve as Secretary, handling minutes and working with the webmaster to make sure they are ready for posting on the website. Minutes are more than line item recap of the agendas, but need to capture discussion around various topics that impact the future of the club.

New Business:

We need a volunteer to take responsibility for coordinating judges for 2024, as soon as possible so we are ready for the new year.

If there are no outside judges, we will default to club judging, per the By-Laws and Rules for Competition

Upcoming Presentation:

Tom Croce on Conservation Photography, October 11.
